Heather.Kretzer@FLHealth.gov

Panama City, Fla. – The Florida Department of Health in Bay County (DOH-Bay) **is lifting the advisory for Lake Ware.**

The advisory was issued on July 30, 2020 following a release of **6,820 of raw sewage** due to an equipment malfunction at a lift station in the **1400 block of Foster Avenue.**

Sewage contamination of water can expose swimmers to **intestinal viruses, bacteria, and parasites.** Swimming in the water may cause **symptoms like food poisoning** with vomiting and diarrhea. **Infection is possible** in **open cuts and wounds** that come in contact with the water.

For more information, contact the DOH-Bay's Environmental Health office at 850-481-4806 or visit Bay.FloridaHealth.gov.

About the Florida Department of Health

The department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
